**TO WHOM IT MAY CONCERN**

Dear Sir/Madam

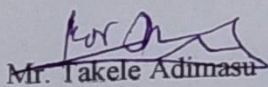

It gives me immense pleasure to be writing this recommendation, to support **Habitu Kenaw** in your organization or company. I have known Student for 4 years, while he was a bachelor's student enrolled in the computer science department at the Gambella University. As per my observations, he is sincere and has a sharp and inquisitive mind. I have great confidence that he will be an excellent fit in different organization and companies if he got the opportunities.

He has maintained excellent and consistent academic grades throughout his bachelors'. Besides academics, He took an active interest in various intercollegiate competitions. His creative bend of mind and interest in developing new applications are apparent, even in brief interactions with him. His sincerity and ability to work as part of a team well complement his academic and different abilities.

Throughout his bachelor's career, whenever I interacted with Student, I was struck by the intellectual quality of our discussions as well as his eagerness to help his peers in any matter. I fully expect him to carry forward these very desirable qualities into all his future endeavors.

I have the utmost confidence that he will become a successful and valuable member of your organization or companies. I wish him luck in all his future endeavors. I would be happy to provide any further information about Student, if required.

With regards,

  
Mr. Takele Adimasu

## LETTER OF RECOMMENDATION TO WHOM IT MAY CONCERN

Dear Sir/Madam,

It is my great pleasure to write this recommendation letter for one of my brilliant and outstanding student **Habitu Kenaw Emibiale**. I know him personally for more than 4 years as a sincere, dedicated and hardworking student in the department of Computer Science. He is a dedicated and trustworthy technocrat who shares his ideas/thoughts openly and tries to accomplish the tasks assigned to him cohesively. He has an inspiring record having in-depth knowledge of Computer Programming, Web Programming, Java Programming, Database Management Systems and different types Programming Languages in general and technical Computer Skills which I taught him so far.

As a computer science professional, I have found him as a matured professional in the aforesaid domain. He is not only a young technocrat but dynamic educator in the field of Computer Science and Information Technology.

I am highly impressed with his wide range of expertise on topics and enthusiasm for applying them in solving aforementioned domain problems in the real world. I had many occasions to discuss, advice and supervise academic and social issues together and discovered a matured and innovative personality in him. He usually initiates new deeds and cooperation in his area of expertise.

I have observed that He always tries to discuss issues with his classmates using simple ideas and logics in class level and I believe, if He gets a chance for any position He applied in your organization, I am definitely sure that; He may contribute the best of his potential for the betterment of your organizations business, academic and research goals. Therefore, I vehemently recommend him for any prestigious organization like yours and also wish him the best of luck for future endeavors. If you have further inquiries for clarification from my side, I would be very glad and happy to furnish such information in the future as well.

Thanking you in advance

Sincerely,  
Lecturer, Abebe Alambo Tona (Master's, Degree in Computer Science)
